

Movement Building strategy group

Purpose

- Building a grass roots base of worker cooperative organisers and supporters
- Developing, compiling and disseminating educational and promotional resources to make the system of worker control and worker ownership more relevant and accessible to new workers
- Participating in national and international cooperative networks and campaigns
- Making alliances with other social and environmental movements

Domains

To be explored

Projects

- Co-op Fortnight
- Autumn Assembly event
- Speaking to worker co-ops (phone banking, visits)

14.45 (15min) Ways of working, next meeting date (Sam)

- Setting a next meeting date :
- Go around with availability, capacity, how you see yourself relating to this group (How excited are we on a scale of 1-10? How confused are we?)

E.g. Comms will remain as a sub-group, but will it have a delegate to send to these meetings?
